

Job Opportunities

Lathe Operator, Green Brothers Fabrication, Taunton, MA

[Green Brothers Fabrication](#) is looking for a full time Lathe Operator (40 hours).

Requirements

- 1-3 years experience with lathe operation and setup.
- BOBCAD experience a plus (not required).

Job Summary

Set up and operate department equipment, including CNC operated lathes to perform a series of machining operations.

Work from complex blueprints, engineering drawings, and specifications, job orders, and tooling instructions to obtain such specifications as dimensions, tolerances, and tooling instructions. Make required adjustments to machinery to compensate for material tooling, machine or program conditions. Troubleshoot and resolve various types of operating difficulties, recommend corrective action on process failures within the department. Determine correct cutting tool to use to achieve required dimensions and finish tolerances; be able to measure finish using micrometers and other associated tools; be able to hold tight tolerances within .001; be able to maintain proper and accurate records.

Skills and Abilities

- Ability to read, understand and interpret blueprints, schematics, etc.
- Ability to properly use micrometers, verniers and calipers and tape measures to determine tolerances required.
- Lifting requirements: Up to 50 lbs.
