

Job Opportunities

Painting & Building Maintenance Associate, Kinefac Corporation, Worcester, MA

[Kinefac](#) is recognized as a world leader in metal forming technology. Based in Worcester Massachusetts, the company is an award-winning machine tool manufacturer that engineers, builds and sells equipment around the world and has sales offices in Shanghai, China and Chennai, India. Our growing, 60-year-old company is looking for an enthusiastic and dedicated individual to paint the metal forming and other large machines that we manufacture for customers in the automotive, aerospace, and other high-tech industries and to perform building maintenance tasks involving painting wall and floor surfaces and a variety of other building and general maintenance tasks, as needed.

Duties included in the role

- Prepare and paint machines and equipment manufactured by the company.
- Apply fiberglass material and resin to various molds for equipment parts.
- Prepare and paint interior/exterior building surfaces, including shop floor, as needed.
- Perform related building maintenance tasks, as assigned.
- Keep work areas clean and organized; take proper care of all equipment.

Qualifications

- Knowledge of equipment, materials, methods, and practices used in painting.
- Ability to safely operate painting equipment (power sprayer), power tools and hand tools.
- Ability to safely operate floor washing and floor sanding equipment.
- Experience painting automobiles, trucks, or metal very helpful.
- Ability to follow company policies and procedures.
- Ability to follow written and oral instructions.
- Ability to comply with standards of performance and make corrections when instructed.
- Ability to work independently and with other employees.
- Time management and prioritization skills to complete tasks on time.
- High School diploma or GED.
- Valid driver's license.

Kinefac Corporation is an equal opportunity employer and offers a comprehensive benefits package including medical, dental, and vision insurance, life insurance, tuition reimbursement program, worker's compensation, short and long-term disability insurance, 401(k) tax deferral plan with standard company contribution, and bonus plan.
