

CONTRACT MANUFACTURING (SINCE 1997)

ISO 9001:2008 CERTIFIED ISO 13485:2003 Certified ITAR REGISTERED

FOR IMMEDIATE RELEASE: December 18, 2013

Northborough, MA, USA

O.R.M., Inc., a global contract manufacturer to the Commercial, Industrial, Medical and Military sectors, has been certified to ISO 13485:2003.

"ISO 13485:2003 is a significant milestone for O.R.M.," said Peter Ormondroyd, Vice President. "Along with ISO 9001:2008, we have significantly enhanced our quality structure for our worldwide customer base. This also positions our company for expanded growth in the Medical Device sector. We would like to thank MassMedic, MassMEP, Exolytic and SAI Global for their facilitation efforts," he adds.
