Company Decision Makers, Plant Managers, Operations Managers, CFOs/CEOs and Presidents, Shop Supervisors and Lean Champions

About MassMEP

MassMEP's mission is to help Massachusetts' small and medium-sized manufacturers to strengthen their world-class competitiveness, and to maintain and expand their activity in the manufacturing supply chain.

General Dynamics C4 Systems is a leading integrator of secure communication and information systems and technology. With more than 11,000 employees worldwide, the company specializes in command and control, communications networking, space systems, computing and information assurance for defense, government and select commercial customers in the United States and abroad.

Gorton's Seafood is the nation's frozen branded seafood leader, located in Gloucester, Mass. Gorton's has driven the seafood category in the United States and Canada and pioneered lean concepts within the consumer foods industry. Over the years, they have made dramatic improvements by applying and embracing lean methods internally and throughout the entire supply chain.

Review of Current Supply Chain Program at General Dynamics and Gorton's Seafood

- Communication with OEM and supplier
- Lead time reduction (OEM Product)
- Cycle time reduction
- True partnership with supplier base
- Quality/on-time delivery
- Visually triggered replenishment
