

# MassMEP Lean Champions Roundtable: TRU Corporation

## MassMEP Roundtable Series

An event that brings together Lean practitioners for a morning of networking and knowledge sharing on how to implement and sustain Lean manufacturing.

**TRU Corporation** has been an industry leader in RF microwave interconnect solutions for over 50 years and currently includes companies in Japan as some of their customers. Sophisticated, durable, high performance cables assemblies and systems for the most demanding applications – in military, aerospace, telecom, semiconductor, medical and other commercial industries.

As an area **CNC MACHINE SHOP**, TRU Corporation has approached Lean at an enterprise wide level. As a result of their Lean implementation, they have seen improvement in their processes in the office as well as on the manufacturing floor. Machine set up times have dropped by 50% and Product lead times have decreased 25%.
