Plant Manager Roundtable Annual Meeting at EASTEC Thursday May 21, 2009 8:00 to 10:00

The Plant Manager Roundtable Annual Meeting will be held at The EASTEC 2009 Exposition. EASTEC is held at the Eastern States Exposition fairgrounds in West Springfield, MA. The EASTEC Exposition is a three-day event starting on May 19th and ending May 21st.

EASTEC is the premier manufacturing event in the Northeast, showcasing the latest in manufacturing equipment and services. Northeast decision makers from a variety of industries including, aerospace, defense, medical, consumer products and other industries attend this event.

For the fifth year, the Society of Manufacturing Engineers (SME) will sponsor our meeting. Their sponsorship includes the following:

- Free Exposition parking
- Free admittance to the trade show
- Meeting Location: Storowton Tavern on the Exposition grounds
- Continental Breakfast
- Guest Speaker

Our speaker this year is Dr. Robert B. Pojasek, an internationally recognized authority on the topic of business sustainability and process improvement. The topic of his presentation is "Using Sustainability to Manage Operational Risks."

Bob coaches plant managers that are in this transition from business as usual to a more sustainable operation. Companies work at their own pace and are surprised just how much improvement they can make without a lot of time and expense. Every facility should approach this journey to sustainability differently. You just need to find your best path. Bob's talk will focus on how you can begin and what information is available to you. He will present a CD to every participant that has useful information to get you going. There will be ample opportunity to ask questions and get some attention to your particular situation.

In addition to Bob Pojasek's presentation we will provide you with other current and important information that you need to be aware of. This will also include information on AIM's Plant Manager Roundtable monthly meeting schedules.

I look forward to meeting you at the AIM Annual Plant Manager Meeting event at the EASTEC 2009 Exposition on May 21, 2009.
