

MassMEP Green Sustainability Champions Roundtable: NYPRO, Inc.

Wednesday, November 4, 2009 – NOTE CHANGE IN DAY

MassMEP Roundtable Series

An event that brings together world-class practitioners for networking and knowledge sharing on how to implement and sustain Green best practices at your manufacturing facility. ***This is the knowledge sharing event to attend to learn how other companies implement Lean and work towards sustainment. At this event, we will focus on Green Sustainability for manufacturing companies.***

Join us for a Green Sustainability Roundtable at NYPRO Inc. Nypro provides solutions from start to finish - they are passionate about their unique team of people, enabling them to provide the highest quality design, development, and global production solution for precision injection molding and related manufacturing solutions. Partnering with their clients for over 50 years.

During the event, you will see how NYPRO improved their carbon footprint and eliminated waste sent to the landfill.

Join us for this morning of knowledge sharing and learn more about NYPRO's Green Sustainment Journey.

Who Should Attend

Company decision makers, plant managers, operations managers, presidents, shop supervisors, facilities managers and Lean champions.
