

Manufacturing Job Fair

Sponsored by the Mid-Massachusetts STEM Pathways Initiative

May 7, 2010

Noon to 3pm, Worcester Technical High School

Set up and lunch from 11:00-12:00

\$25/table, includes admission to Haas Technical Education Center Conference (8am-3pm) and lunch for two. Come hear industry experts and educators discuss Building a Skilled Workforce for Next Generation Manufacturing.

In Attendance...Trained, Prepared Future Employees

- WPI Advanced CNC Skills Training graduates—230 hour, intensive class to upgrade skills in set-up, fixturing, tool selection, MasterCAM, OSHA
- CNC Machine Operator Skills Training graduates
- WTHS seniors in Machine Technology, Electro Mechanical, AutoCAD, Welding
- and more!

Call Lisa Derby Oden at 508.751.7575 or Leslie Parady at 508.831.7020 to pre-register. Space is limited.

Don't miss out on a chance to recruit for your open full-time & summer positions.

Representatives from local career centers will be there to discuss how you can take part in the subsidized summer youth program.
